Masses for Easter Day

ASSOCIATE PASTOR'S PEN

I just received an email from a couple I married in the first year I was ordained.

The baby is now all of 10 days old (well a little older now when you are reading this). My mind went spinning between medical and spiritual and I realized that the number 40 was significant for both these cases.

A normal pregnancy is about 40 weeks. In that time the child begins growing/developing immediately upon conception with cells dividing and differentiating (becoming what they are supposed to be; distinguishing themselves from others).

In the end a beautiful new creation comes out of the dark into a new world with all its lights and newness.

We are (or at least should be) on that same path but a shorter time line. Lent has 40 days and is a time of growth and development for us as Children of God. Our process in Lent is A LOT different than our development in the womb, but at the end (if we engage in a very real way and are willing to grow) we will emerge from this 40 days a new creation, differentiated from our past and closer to the person we are meant to be as the image of God.

SCHOOL HAPPENINGS

INTERESTED IN ATTENDING ST. BRUNO PARISH SCHOOL FOR FREE?

You may be eligible through the **Wisconsin Parental Choice Program (WPCP)** to attend St. Bruno Parish School **at no charge!** St. Bruno is excited to be a part of this program and to be able to offer this opportunity to ANYONE living outside of the City of Milwaukee and the Racine Unified School District. Additionally, applicants may be required to meet income and age requirements. Unfortunately, this does not apply to CURRENT St. Bruno students who are in Grades 1-8, however, non-St. Bruno students in these grades and current/non-current 3K-5K students are eligible pending the meeting of application requirements. All information, including applications and *Frequently Asked Questions*, can be found at: <http://dpi.wi.gov/sms/choice-programs>.

TUITION IS TAX DEDUCTIBLE!

In July 2013, the State Budget Bill created a new State income tax deduction (not credit) for elementary and secondary school tuition expenses. *When filing taxes, taxpayers may claim their paid religious school tuition expenses of up to \$4,000 for each dependent child in Kindergarten-8th Grade, and up to \$10,000 for each dependent child in high school grades.* Taxpayers can only claim expenses that have been paid; deductions cannot be used for scholarships or financial aid. Families should also save payment receipts for their tax records. This tax deduction is one way that Wisconsin can affirm the vital role that parents play in their child's education by giving families meaningful options for educating their children.

FINE ARTS NIGHT (OPEN TO ALL)

St. Bruno Parish School's 4th Annual **Fine Arts Night** will take place at **6:30 p.m.** on **February 18**, at the *Waukesha Civic Theater*. MEN OF CHRIST CONFERENCE • MARCH 12

Testimonials of men who attended in previous years:

- This was the most challenging and beneficial religious event I've participated in. My thanks to the presenters for their honesty and personal courage.
- This helped me grow in faith by the powerful messages of the speakers. Also, the unity in one with the whole crowd and courage to sing, and pray all together. Very powerful...it gives you the strength, will and desire to know you're not alone.
- The Men-of Christ Conference was very moving for me. The whole day was fantastic. It never ceases to amaze me when I see so many Catholics in one place. I look forward to next year.

ST. VINCENT DE PAUL

In today's Gospel, Jesus challenges us by saying: "Give, and gifts will be given to you; a good measure, packed together, shaken down, and overflowing, will be poured into your lap..."

When we give to the poor, God indeed pours His love, peace and joy into our hearts and into our lives.
