  - Goals for this upcoming year, projects we'd like to see. See "jumping off points" handout as well as last year's marketing materials. Our goal this year will be the same as last year and that is to Increase Enrollment! We will do that through purchasing a mailing list and sending out 3 mailings, continuing to work on projects like: the garden, calling parish members to invite them to our January open house, and reaching out through the bulletin and general outreach.
  - What meetings of the parish shall we attend, if any? Finance? PC? Will discuss this at the next meeting.
  - Mary: Garden update. She will proceed with the garden as she has discussed this fully with Fr. Ralph, the staff, teachers and everyone is in support. She has some funding and will move forward with the garden site planning and eventually, digging.
