

# St. Bruno Parish School Committee MINUTES

7:00 PM Monday, February 9, 2015

Joint Meeting with St. Paul Parish School Committee

1. Prayer/Question of the Day

2. Discussion Points with St. Paul's Parish

- Characterize where our schools have been and what we're working toward for the future. What are our goals?
- What are the barriers to success?
- What are we doing/planning to address these barriers?
- How can we work together to make each of our schools successful?

\*A good, long discussion ensued. It is noted that both schools are at almost exactly the same enrollment and similar financial situation, facing similar challenges, and having similar success employing similar marketing techniques. This was an excellent jumping off point for further discussion involving how the schools can work together to help each other.

3. 8:15 PM, end joint discussion and separate to discuss issues unique to each school.

4. Closing prayer

5. St. Bruno's own meeting centered around discussion and voting on uniforms for the school for next year. Favorable vote led to the School Committee supporting Mrs. Hedrick in going forward with School Uniforms for next year.

6. Steve K. and John M. will discuss Poker Night (our 2nd contribution to the Auction) and let us know what they need to be successful.
