2. Approval of prior meeting minutes (October 13, 2014) approved.
3. Open Session- Non Committee Members: none in attendance.
4. Presidents Report:
 - Uniform parent survey- Survey indicates split decision. This was just a pulse of the school, not the actual vote. Discussed how we could handle families who couldn't afford the uniform- other schools do a clothes rack with their kids' last year's uniforms on there, there are many avenues we could take. Noted: if we decide not to do uniforms, Mrs. Hedrick would like to get more strict with our current dress code.
 - Mary: Garden update- moving forward. Meetings and plans in place.
 - Mary: Bike a Thon: working with PC/Leann G.
 - Mary: Chess at Three Pillars Nothing to report.
 - Mary: Flash Mob: Discussed more completely, Fr. Ralph warned that Finance might not be on board with this (we need every collection cent we can get).
 - Steve: Ski Club: working at calling area hills.
5. Principal's Report:
 - Catholic Schools Walk: a huge success, over \$3k for our school.
 - Accreditation: the teachers have been working very hard at this, it is going well.
 - There are 5 students that have used the "referral program" that we set up last year. This is wonderful. Lisa notes that they need a better system to keep track of referrals in the office. Carla will work on this.
 - Lisa has explored and talked to other schools about the possibility of starting a 3K at our school.
5. Sub-committee Reports:
