4. Presidents Report:
 - Meeting agenda for next Month when we meet with St. Paul's. We will bring snacks to host and then discuss general things such as: our/their challenges, concepts/plans that have worked to boost enrollment, get a feel for each other's school and how we might work together in the future.
 - Grants are in! Both CCF grant and Target grant (for Discovery World) have been turned in.
 - Wreaths: Pat M. would like to propose the idea of selling wreaths now that K of C has stopped doing this project. After discussion, we decided to table it for next year as we would have to work immediately on this and there is some concern about giving up a Saturday near Thanksgiving to organize this. The group thought that it was a great project and with slightly more time to plan, this would be a great fundraiser for the school. The "take" from K of C has been about \$1400. Also noted is that the local boy scout troops are selling this very product.
 - Mary: Garden is going forward. A committee has formed and there are several possibilities on the table.
 - Bike-A-Thon: Steve and Mary are working with Parish Council on this— they are in a brainstorming phase at this point.

- Mary: Chess club at Three Pillars is a likely event happening- a chance for the kids to play with and learn from the residents.
- Steve: is working on a Ski Club. He is waiting on replies to move forward.
- Mary: forwarded a great idea about flash mobbing a local church. This has been done in other areas of the country-a church attends a different parish's mass to fill the pews.
- Coming up: next postcard
