4. Presidents Report: Discussion of spring projects:
 - POKER NIGHT. We each owe \$20 to Steve to offset the cost of this event. We are moving forward into the Auction with high hopes.
 - Postcard #3 ideas- Decided to pull from the info we already have out there focusing on our new 3K.

5. Principal's Report:

- Uniform Discussion- discussed and voted on this finalized plan. We are adopting the uniform policy for next fall.
- .Scrip – using this as a tuition reducer for families; if they “earn” \$50, the rest (or half of the rest going forward) can be taken off to reduce their tuition bill. We will discuss and decide how to handle this for next year.
- 3K Discussion – it is happening for next fall! A logo has been created, we have the room (space in the physical building) and a play-based curriculum set.

Home and School Notes:

- Teacher appreciation is coming up!
- The June 4 picnic will be run slightly differently, Kona will still be there.
- 4P's- we are not renewing this contract, going with a new vendor.

- They are working on being more visible to the parish.
- Nominations being accepted for new positions.
