Alpha starts September 26th!

- Mary began the process of discerning Alpha out of a desire for a parish mission
- Rich Harter came in and discussed the need to prepare for something like a mission
- Alpha is non-threatening way to invite others to know Jesus
- Currently still trying to figure out logistics; Tuesday night from 6-7:30 (SP) and possibly Tuesday morning after Mass (SB); still discerning the dates/times
- This needs to become a culture lifestyle and we need to focus on selling the why (and encounter with Jesus)
- We will begin to grow this area of ministry, possibly leading towards Catholic ID

Mission & Steubenville trips

- Mission trip – four girls and Cindy Beauchamp went to Alive In You in Kewaskum;
- Worked mainly at a nursing home and cooked a meal for vets; gave a lot of hope for the future of the Church
- Steubenville – six kids went and very spiritually intense; fantastic speakers
- Would like to use these events to build momentum and create excitement; would like to see more kids participate

Pastoral Council – (Cindy &)

- Will be meeting to determine liaisons and officers later in the month

Child Ministry – (Karen & Amy)

- Finished hosting CGS training
- Working (with Bill) to host Catechist Discernment

Adult Ministry - (Mary)

- RCIA is bigger than ever before; 2 will be preparing for Baptism and 2 or 3 will be preparing for full communion with the Church
- The McFadzens are helping with this and possibly another couple of people
