ASSOCIATE PASTOR'S PEN

Fr. Ralph and I want you to know of a very exciting opportunity that was offered to us and we have accepted. An anonymous patron is donating a part-time consultant to work with us throughout our journey toward a partnering relationship between our two parishes. *Rita Borowski* is experienced in Transitional Project Management. We have met with her and believe she will be an asset to us as our two communities work together these next two years to strengthen both parish communities, while maintaining the individual identities of St. Bruno and St. Paul Parishes. We have discussed this with the Staff, Pastoral Councils and Finance Councils for both parishes and we are all in general agreement that this is a good opportunity for our parishes as we transition.

The process will incorporate a full assessment of where each parish is now, strategic-level vision of where we need to be at the end of this two-year transition, and implementation of the tactical steps to get there within the transition timeline. We priests, along with Councils,

Staff, and Ministry leaders, will be intricately engaged in the process, as well as individual and group conversation with ministries and a portion of parishioners at each parish. Other forms of assessment such as survey or “town hall” type meetings, and possible engagement of potential future parishioners will also be considered. I hope you will choose to actively engage when we look to you, our parishioners, to provide input during this process. Rita will report directly to me, Fr. Chuck, as the pastoral lead of this initiative, with Fr. Ralph kept very closely informed. She will work to plan, organize, coordinate, interview and converse; create reporting, help evaluate, summarize, and make recommendations within a coordinated, team manner at no wage cost to either parish. As an aside, Rita will be more than a consultant in this endeavor. She will be joining both parishes and become a part of the family communities of St. Bruno and St. Paul.

Saints Bruno and Paul, pray for us.

fr chuck

FR. RALPH AT CANON LAW CONVENTION

I will be out-of-town, attending the annual *Canon Lawyers' Convention* in St. Louis, from **October 12-19**. I will have you in my prayers while I am away. Please direct your concerns to Fr. Chuck or other members of our Pastoral Staff.

Blessings! ~Fr. Ralph

EXTRAORDINARY MINISTER OF THE EUCHARIST

We will soon be having a **sign-up for Eucharistic Ministers** at all the Masses. I encourage you to consider becoming a Eucharistic Minister, and see the many blessings that the Lord will send your way.

For me, being a Eucharistic Minister has been a great privilege. I have gone through many meditations on this Ministry, but I wanted to share a few thoughts of my own with you. As a member of Christ's Body, I find it awesome to share the *Body and Blood of Christ* in the Eucharist with my brothers and sisters. As I am giving out Holy Communion, I am mentally praying for each person who comes as a member of the Body of Christ, to be fed with His Body and Blood. We literally and spiritually become what we eat. So I am feeding His Body and Blood to those who are already becoming more and more Christ-like by going to Communion. May I humbly give service to all of you by being a Eucharistic Minister and becoming more Christ-like in my life, along with my brothers and sisters in Christ.

Blessings, Karen Warnes

If you forgot to bring your envelope this weekend, please know that you can still send it to the Archdiocese, drop it in next week's regular collection or drop it off at the Parish Office during the week. Thank you for your generosity to the **Catholic Relief Services, Catholic Home Missions, Peter's Pence (Works of the Holy Father), World Missions (Propagation of the Faith), & The Church in Central & Eastern Europe.** *Make all checks payable to "Church in Mission: Combined Collection," NOT to St. Bruno Parish.* The people served by these five valuable apostolates need our help so badly.

THOUGHT FOR THE MONTH: MULCH, DON'T BURN

When: When Autumn leaves start to fall

Why bother: The smoke generated by a large number of simultaneous leaf fires can cause significant health problems. Leaf smoke can irritate the eyes, nose and throat of healthy adults. But it can be much more harmful to small children, the elderly, and people with asthma or other lung or heart diseases. This is because the visible smoke from leaf fires is made up almost entirely of tiny particles that can reach deep into lung tissue and cause symptoms such as coughing, wheezing, chest pain and shortness of breath—symptoms that might not occur until several days after exposure to large amounts of leaf smoke. Mulching leaves provides carbon, phosphorus, and potassium — all essential nutrients needed by plants including turf grasses. (Source: *Wisconsin Department of Natural Resources*).

What you can do: Simply mow your leaves along with the grass during fall, and let the small leaf pieces filter down among the grass blades. Make sure grass is exposed to the sun after the tree leaves have been mulched. WHAT IS YOUR FAIR TRADE IQ?

We will hold the second biannual FAIR TRADE SALE on Sunday, November 16, 2014, in the Gathering Place.

Do you know which of the following is true about Fair Trade?

1. Fair Trade helps producers in our poorer Third World countries such as Guatemala to obtain more equitable trading conditions in order to support themselves, their families, their schools, and their communities.
2. Fair Trade items include: Handmade crafts, coffee, tea, cocoa and cotton, as well as flowers and bananas.
3. Fair Trade removes many of the "Middle Men", so that the farmers and craftspeople obtain fairer prices for their work and their products.
4. Fair Trade protects the rights and health of workers and respects the use of the land used to grow the products.
5. Fair Trade leads to sustainability or healthy environments that are necessary to the survival of humans and God's other creations.

Answer: all of the above are correct!

See you in the Gathering Place **November 16**.

WHAT IS YOUR CATHOLIC IQ?

What is the #1 cause of death of children in America?

- a) Car accidents; b) Sudden infant death syndrome;
c) Abortion; d) Cancer.
