ST. BRUNO PARISH

"While the world changes, the cross stands firm."

PRINCIPAL'S PEN

HAPPY CATHOLIC SCHOOLS WEEK 2015!

As we wrap up our annual observance of National Catholic Schools Week, we want to thank all of you for everything you have done over the past year to support the mission of St. Bruno Parish School.

This year is the 41st anniversary of Catholic Schools Week, which makes our celebration even more special. The theme is "Catholic Schools: Communities of Faith, Knowledge and Service," which highlights the fact that Catholic Schools are not only communities themselves, but also part of larger communities like Dousman. We are known for our focus on academic excellence, faith development and service, to enable students to become community leaders in the future.

Catholic Schools Week at St. Bruno is not the only opportunity for you to see what I am talking about. I am so proud of our students, and I can't wait for you to visit our school! I encourage anyone to contact the School Office to set up a personalized tour or have your child spend a day shadowing in a classroom.

We are grateful for the support provided to St. Bruno Parish School, and your efforts help make it possible for us to offer an important educational alternative to the families of our community. This parish is an inspiration of true community service, one that our students are blessed to have as a model.

*In Christ's Blessing,
Lisa A. Hedrick, Principal*

BLESSING OF THROATS

We know that *Bishop Blaise* was martyred in his Episcopal city of Sebastea, Armenia, in 316. The legendary Acts of St. Blaise were written 400 years later. According to them, Blaise was a good bishop, working hard to encourage the spiritual and physical health of his people. Legend has it, a mother came with her young son who had a fish bone lodged in his throat. At Blaise's command the child was able to cough up the bone. Because Blaise's blessing saved the boy from choking on the fish bone, it has become a custom that people have their throats blessed on his feast and through his intercession. **The annual Blessing of Throats will take place at the end of the 8:00 a.m. Mass on Tuesday, February 3, the Feast of St. Blaise.**

ASH WEDNESDAY • FEB. 18

MUSIC MINISTRY

CANTOR MEETING

In our new ministry reorganization system we have a group of captains for various ministry areas. *Cheryl Snyder* has agreed to be Cantor Captain. The first organizational meeting for cantors will take place on **Wednesday, Feb. 11, at 6:30 p.m. in the choir area of the church.** We'll look at a longer term scheduling system, substitute plan, and training protocol. This meeting is for existing and interested cantors, both high school aged and adults. See *Mark Gould, Director of Liturgy & Music* or *Cheryl Snyder* (**262-965-5500**) if you have further questions or comments.

JOIN CHOIR & SEE WHAT'S SHAKIN'

A commitment to choir is more than a chore. It can be an entry into a supportive, vitally active community of faith where members serve the worship life of our community through evoking songs of praise and prayer. It is also a community of mutual support – a base community – that prays with and for each other and the needs of our community. We are also a service community that enjoys socializing occasionally with periodic "Choir du Jours". Do you want to step up your connectivity at St. Bruno Parish? Consider choir. See what's shakin' and come try us out. If you have questions or are interested in joining, see *Mark Gould* or *Choir Captain, Nancy Klemp* (**nklemp@wi.rr.com**).

**THOUGHT FOR THE MONTH:
PROGRAMMABLE THERMOSTATS**

When: Year-round.

Why bother: The average household spends more than \$2,000 a year on energy bills - nearly half of which goes to heating and cooling. You can save as much as **10% a year** on heating and cooling by simply turning your thermostat back 7°-10°F for eight hours a day from its normal setting.

What you can do: Using a programmable thermostat allows you to use less energy without sacrificing comfort. Once installed, programmable thermostats can store multiple daily settings (six or more temperature settings a day) that you can manually override without affecting the rest of the daily or weekly program.

ST. VINCENT DE PAUL

In the Gospel today, we read that because Jesus spoke with authority, His reputation spread throughout the surrounding region of Galilee. As His disciples, we can also speak with authority when we put our faith into action by helping the poor and suffering.

Have you considered answering the call to serve the poor by joining the Society of St. Vincent de Paul?

"HOLY DUSTERS" & ALTAR LINENS

We are in need of a team of at least **three people** to do light church cleaning one hour a month. *The work can be done in the daytime or evening hours.* **In addition**, we need three people to *launder and press the Altar linens once a month.* Please call the **Parish Office** at **262-965-2332** if you are able to serve in one or both of these ministries.

WHAT IS YOUR CATHOLIC IQ?

The answer is a) AND d)

40 days after the birth, the mother went to the temple for a blessing. According to Jewish law, the first-born male child belonged to God and the parents had to "buy him back" by offering a pair of turtledoves or pigeons. It was also called Candlemas because candles were blessed on this feast. This is still popular in some European countries.
