ST. BRUNO PARISH

“While the world changes, the cross stands firm.”

He said to them, “Today this Scripture passage is fulfilled in your hearing.” And all spoke highly of him and were amazed at the gracious words that came from his mouth. They also asked, “Isn’t this the son of Joseph?” - Lk 4:21-22

A CULTURE OF LIFE OR DEATH????

As we remember the anniversary (January 22, 1973) of the U.S. Supreme Court's decision in *Roe v. Wade*, **legalizing abortion in our country**, we memorialize the 54 million "pre-born babies" whose lives have been deliberately ended since that decision. Hopefully, we become advocates who stand up for and support life. In last weekend's bulletin, Fr. Chuck talked about the **challenge of fighting off apathy**. We need to cultivate, grow and transform. **We need to be deliberate, intentional builders of a culture of life.**

Cardinal Timothy Dolan, the Chairman of the Committee on Pro-life Activities for the U.S. Conference of Catholic Bishops, made some comments this past week about abortion in our country. He talked about the great preacher, Jesus, whose basic message was the dignity of the human person and the sacredness of ALL human life. He stated that "A whole class of people, the pre-born, have been deprived of their right to life." "The *Roe v. Wade* anniversary is not an anniversary we can celebrate!" The great majority of Americans do not see

an unborn child as an illness or a tumor. They want to hear a message of reverence for life. He went on to say that "powerful and well-financed lobbyists insist that abortion is just another part of 'basic health care' for women and should be seamlessly integrated into our health system and our lives, **regardless** of what peoples' consciences say. Those same lobbyists condemn those who follow their right conscience and accuse them of practicing substandard medicine and waging war on women."

Cardinal Dolan did refer to the "YEAR OF MERCY" that we are celebrating. He talked about *Pope Francis stating that because each human life is created by a God whose love is infinite, a "culture of life" and the practice of mercy needs to prevail, toward the pre-born babies **and** those who have fallen short of God's plan by being involved in abortion.* Pray for them all! The Cardinal invites everyone to recommit themselves to a vision of life and love, a moral vision that excludes no one. Cardinal Dolan concluded his comments with these words, "May God bless our efforts to uphold human life!" ~Fr. Ralph

LITURGY & MUSIC UPDATE

I previously reported that once *Mark Gould* informed me of his resignation as Liturgy and Music Director and as was the case in our recent past when other positions opened, meetings and conversations were to be held about the future to answer the two questions: how could St. Bruno's liturgical and musical life be best served in the future; and what collaborative efforts with St. Paul's might be employed to provide the best liturgy and most effective music direction for the future? Many options were considered and I am pleased to now share with you the outcome of those meetings and conversations.

Peggy Kolonko, currently *Director of Liturgy and Music* at St. Paul's, will become Director of Liturgy and Music for both St. Bruno and St. Paul **AND** we will begin searching immediately to hire a full time Assistant Director of Liturgy and Music to work in tandem with Peggy. Peggy's main office will be at St. Paul's and she will retain liturgical minister coordination at St. Paul's. The Assistant Director's office will be at St. Bruno's and that person, to be hired, will assume liturgical minister coordination at St. Bruno's. Peggy will be primary coordinator of liturgical planning across both parishes with the Assistant Director and both will be very active in all

aspects of music for Masses, funerals, weddings, and other liturgy and music accountabilities. We strongly believe this structure will provide very personalized attention to each parish by virtue of office location with designated parish liturgical minister coordination at a specific parish, while supporting administrative and collaborative efficiencies across both parishes. We also believe this structure will allow each parish to grow individually as well as both together in future music opportunities.

We ask for your patience and more importantly, your continued prayer through song and accompanying music at both parishes. We will provide updates as we are able to answer more detailed questions. In the meantime, *Julie Stier*, *Tammy Day*, and others will continue to provide interim Mass and choir direction at St. Bruno. Please continue to discuss, ask questions, and bring your concerns to me, *Fr. Chuck*, or *Rita Borowski*. Also, please continue prayers for all of us during this process.

St. Bruno, St. Paul, St. Cecilia, help us in this special liturgical and musical journey of faith.

Thank you.
~Fr. Ralph

TUITION IS TAX DEDUCTIBLE!

In July 2013, the State Budget Bill created a new State income tax deduction (not credit) for elementary and secondary school tuition expenses. *When filing taxes, taxpayers may claim their paid religious school tuition expenses of up to \$4,000 for each dependent child in Kindergarten-8th Grade, and up to \$10,000 for each dependent child in high school grades.* Taxpayers can only claim expenses that have been paid; deductions cannot be used for scholarships or financial aid. Families should also save payment receipts for their tax records. This tax deduction is one way that Wisconsin can affirm the vital role that parents play in their child's education by giving families meaningful options for educating their children.

TUITION CREDIT AVAILABLE FOR REFERRALS

If you have any questions about the Referral Program, please contact the School Office at **262-965-2291**.
